Minutes

- Worth the Wait questions
 - Committee discussed concerns they had regarding students and unhealthy choices they have been making. Worth the Wait curriculum was reviewed. The committee will meet again in March to discuss ideas for supplementing Worth the Wait with the areas of concern. The plan produced at that time will be presented to the School Board.
- Blood Borne Pathogens
 - The SHAC cannot serve as the Blood Borne Pathogens committee since it does not have the required number of school personnel that is set for by the guidelines.
- Dating Violence Prevention Program – Safe Place
 - Amanda Evans with Safe Place shared information about a program they can provide regarding dating violence.
