

School Health Advisory Committee
March 30, 2010
4:00 pm
DISD Central Office – Board Room

Minutes

- Worth the Wait Follow Up discussion
 - The Committee reviewed the Worth the Wait Scope and Sequence, Character Counts Pillars, and Quantum Learning Keys to Success
 - Decision was made to not bring in another program but continue programs currently in place with a re-emphasis on teacher training and quality instruction
- Drug and Alcohol Survey Results – Can be found on DISD Homepage under District Offices – School Health Advisory
 - Shared website location of Drug and Alcohol Survey results
 - <http://www.dumas-k12.net/default.aspx?name=SchoolHealthAdvisory>
- Indicators for Evaluating Effectiveness of Coordinated School Health Programs
 - Will use Fitnessgram results for this current year then will develop other indicators to share with campuses for data collection during the first meeting of 2010-2011
- Other
 - Several questions and discussion over the nutrition and cafeteria program. The committee will meet one more time in May and Marion Wynne will be available to answer any questions or concerns.
