

School Health Advisory Committee

March 25, 2014

5:00 pm

DISD Central Office – Board Room

Minutes

Chief Larry Payne from the DISD police department presented information regarding safety and security. Topics discussed included Cop Sync, intruder walls, video surveillance in school office areas, tone alert, safety and security audits, district and campus safety/security committees, k9, and digital surveillance video cameras. These measures are implemented throughout the district as a means to protect staff and students.
